I have received Y^r of the 29th of October & shall be very glad to do any service for Y^r Academy in any manner of way and shall be very well pleased & thankful to them for the favour they intend me of making me an honorary Fellow w^{ch} I will endeavour by all ways to deserve of them. Dr. Houskew is dead in Jamaica where he came sick from Carthagena. We do not yet know how he hath disposed of his affairs & as yet take to find out so qualified to succeed him. Mr. Miller is thought upon for that service. I hope you have rec^d. the last piece of Mr. Catebys Carolina which you w^{ill} letter & the Transactions. Mr. Nettleton promised to forward them. When you have any thing new you will for promotion of Learning tell me know it & if you want any thing know it shall be sent you by
